-SPECIAL INTEREST GROUP (SIG) SESSIONS-

All SIG Sessions will be held on **Thursday, June 10, 2004, from 5:30pm to 7:00pm** immediately following the AG Retreat 2004. Some preliminary plans for each SIG are noted below.

Please mark your selection. Remember, there is no additional fee to participate and you may change your selection at a later date.

<input type="checkbox"/>	SIG 1 – Hot Topics for AG Toolkit Development Led by: Ivan Judson and Tom Uram, Argonne National Laboratory Room: Details Forthcoming Who should participate? Any developer interested in developing applications using the AG Toolkit (or developers that are already building exciting applications). You should have a basic knowledge and understanding of the Access Grid in order to fully participate.
<input type="checkbox"/>	SIG 2 – Documentation for the Access Grid Led by: Jennifer Teig von Hoffman, Boston University and Jim Miller, inSORS Room: Details Forthcoming Who should participate? Do you have valuable AG experience or knowledge that could help other AG users, node operators or developers? OR, are you missing critical information that would help you to more successfully use the AG? Please join this discussion. Prior knowledge of the Access Grid Documentation Project efforts to date is beneficial to a productive discussion.
<input type="checkbox"/>	SIG 3 – Conducting Productive AG Sessions – Trading Tips & Experiences Led by: Mary Fritsch, Argonne National Laboratory and Jackie Kern, NCSA Who should participate? Anyone interested in effectively using the Access Grid (site representatives, new users), or anyone with success tips to share (current AG node operators, experienced users), is welcome to participate.
<input type="checkbox"/>	SIG 4 – Troubleshooting the AG Led by: Bob Olson, Argonne National Laboratory and Shannon Schraegle, Ohio Supercomputer Center Who should participate? Node operators (and others) needing to better understand what to do when things go wrong. Network Administrators and Systems Administrators who find themselves supporting AG usage.
<input type="checkbox"/>	OTHER – Recommendations If you have a suggestion for a key topic not listed above, please note it below for review by the AG Retreat 2004 Organizing Committee. TOPIC: _____ Who should participate? _____

Updated information on SIG sessions will be posted at <http://www.accessgrid.org>
